

Re-Certification Exam

Version 1.0 - 2011

CCT Credentials must be current before CCT-I credentials can be renewed

Re-Certification Exam

This open book test consists of twenty questions based upon the two articles in the Re-Certification Workbook. Please read each article carefully and answer the questions for each section. Each correct answer is scored 5 points. As an open book test, a grade of 90% is required to pass the exam.

Step 1 – Review the re-certification workbook

Step 2 – Complete the re-certification application

Step 3 – Complete the test sections and place **all** answers on *answer sheet*

Step 4 – Send **ONLY** the completed *Application, answer sheets* and renewal fee to ACMA (Please note: Your credentials cannot be processed without the renewal fee)

Step 5 – Upon successful completion of the test (scoring an 90% or higher) your credentials will be revalidated.

*** PLEASE NOTE: CCT CREDENTIALS MUST BE CURRENT BEFORE CCT-I CREDENTIALS CAN BE RENEWED. ***

If the exam score does not qualify for revalidation, the exam workbook will be returned to the applicant for remedial review. The applicant can then correct and resubmit the test. If an applicant fails the re-certification test on the second attempt, his/her CCT credentials will not be revalidated. The candidate will be required to requalify by taking the original CCT exam.
